

SECOND NEWSLETTER TO ALL PARISH CHILD PROTECTION AND VULNERABLE ADULT CO-ORDINATORS

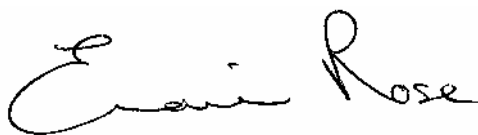

We will shortly have our group of trainers ready to come into parishes to provide basic training in relation to work with Vulnerable Adults. Our trainers are all qualified social workers who have expertise in the fields of child protection and have worked with vulnerable adults. Please be aware when booking training that it is *basic awareness training*. Specific and more detailed training is provided for the clergy and others in key posts. If your parish has a particular need for additional or more expansive training in an area please let us know. To book the basic awareness training please telephone Sheila Rooke at Diocesan House on 01227 459401 or use the online booking form at <http://www.canterburydiocese.org/childprotection/training/index.htm>

This is a timely reminder to tell you that on 4th November 2010 we are fortunate in having Donald Findlater who is coming to the Cathedral Study Centre speak to us about the issues of the Addictive Nature of Sex Offending and the Complexities of Forgiveness. (Please see and book on www.canterburydiocese.org/booking/seminar4.11.2010.htm).

It is also worth reminding you all that the KCC also run some very helpful and cheap /free courses for volunteers working with vulnerable adults- again see the web pages KCC – Adult safeguarding or email tara.leport@kent.gov.uk.

We are holding our annual Parish Child and Adult Protection Coordinators Conference on Saturday March 19th 2011. The venue is yet to be confirmed. We hope that by then the new House of Bishops Guidelines ‘Protecting All God’s Children’ may be published. We will keep you all posted with regard to details.

As always do contact us with any concern however small, we are there to help your work.
