many refugees use cardboard to create structures to sleep in and under. There are some children can write their own prayer for those who do not have a home.

Due to copy to copyright, I can’t include all the images. You can see the images I have used. Calais refugees and refugees from Syria, you should locate these images or ones similar.
A place to call home

What is home?

What makes a home?

What might it feel like to have nowhere to call home?
68.5 million people around the world have been forced from their homes.

There are nearly 25.4 million refugees, over half of whom are under the age of 18.
a place to call HOME
I wonder how this promise from God make you feel?

Is it hard to read this when 65 million people around the world don’t have a home?

I wonder how God feels when he sees people suffering?
Imagine having to queue for hours to get some food?

Imagine if life was so dangerous you and your family escaped in an inflatable boat across the sea.
Imagine if you had no toys, warm bed, food or shelter.
We can only imagine the terror, fear, anger, upset, despair, the loneliness and hurt they must be feeling.
A Prayer for Refugees

Almighty and merciful God
whose Son became a refugee
and had no place to call his own;
Look with mercy on those who today
are fleeing from danger,
loveless and hungry.
Bless those who work to bring them relief;
inspire generosity and compassion in all our hearts;
and guide the nations of the world towards
when all will rejoice in your Kingdom of justice.
Through Jesus Christ our Lord

Amen

(by Bishop Trevor)
We pray that God will bring comfort and protection to those who are hurting and frightened.

God, will provide for all those who have no home.

Ask God to help, bless and strengthen those who are providing support, food, clothes and other provisions for the refugees.

Most of all we pray for peace in our world, so everyone can live in safety.

Amen.

Take a prayer card and write your own prayer.
My people will live in safety, quietly at home. They will be at rest.
Isaiah 32:18
