Property Director

We are seeking a Director to lead our Property team, who will have responsibility for all diocesan land and property - including maintenance, acquisition, and disposals. You will also play a key part in the maintenance and development of our church buildings and will be key to the success of our future estate's strategy. We'll be looking to you to imaginatively and profitably use and maintain our assets to support our Christian mission and ministry.

You will:

- be a qualified chartered surveyor, with experience of domestic and historic buildings
- have outstanding commercial instincts and negotiation experience
- be able to appreciate and work within the Christian ethos of our diocese
- be experienced in property management and client account management at a senior management level
- a high level of social skills to balance the demands of stakeholders while delivering value for money

Salary: c£50k

Closing date: 20 September

Interviews: 27 September
